HIGH SCHOOL BOARDS VOTE AGAINST COLLEGE DURING PRESENT TIME

Desirability for Institution
at Later Date Expressed
By Members

MOVEMENT for a junior college in the vicinity of Niles in the near future received a decided setback Monday night when members of the high school board of trustees from Washington, Murray and Eden townships, adopted a resolution not to make efforts toward attaining such an objective at the present time due to the state of economic conditions. However, hopes for the institution were not discouraged.

The action was taken after long and mature deliberation by the members of the boards present. The resolution reads as follows:

"That we appreciate the splendid public spirit of William H. Ford in his offer of one hundred thousand dollars toward the establishment of a Junior College in the Niles district. That we recognize the desirability of such an institution and believe and hope that it will be brought about. But in the present economic conditions, the pressure of which is being felt by all our people, and after due consideration of all the facts and conditions, we deem it unwise to make the effort at this time which we are convinced would not meet with the approval of our constituents, and so result in failure.

"We hope that Mr. Ford will recognize the justification of

YEAR'S EXTENSION ASKED BY CARRIER ON NILES-S.F. LINE

Difficulty In Financing
Project Reason for
Application.

Construction of the Western Pacific all-rail line between Niles and San Francisco, via Redwood City, will not begin until January 1, 1933, if the application made recently by the Western Pacific railroad company for a year's extension of time before beginning on the project is granted by the Interstate Commerce Commission. A similar extension of the time in which to complete the work also was asked for.

The Western Pacific California Railroad is a subsidiary of the Western Pacific, which will finance the work.

According to the application, "due to depressed conditions throughout the country generally,

WEST IS WEST YET HOME SEEMS BEST TO ERRING DUCK

(By Mrs. N. H. P.)

THE DUCK went a'courting and he did ride, ah; ha! Mrs. Rosalie Donovan's sedate, dignified and altogether proper old drake who for more than twelve years upheld the dignity and impeccable honor of his sex by always being at home at roll call, dimly realized that youth was fleeting and took a flier to far distant lands.

Probably it was a sweet, gentle, alluring quack from just across the orchard, or again it might have been the clarion call of some wild flapper winging her way to the disreputable marshes of the bay; but whoever the temptress, old drake heard the call, and throwing to the winds a perfect reputation, waddled himself off for one wild night.

But alas and alack! Twelve years of respectability had a numbing effect on the knees (or perhaps it was rheumatism) but the old drake after making his way across several fields suddenly realized that after all, especially in our later years, home is the best place, so he dropped down in a puddle ready to die of nostalgia.

But kind fate, in the form of a neighbor, seeing the old fellow and feeling a sympathy, probably, with the primitive force which had driven him to such an extremity, took pity and loading him into a car hawked him around to the neighbors until his home was located.

And, although, there was general rejoicing at the return of the ancient prodigal it has been one very meek old drake who has since waddled his way around the yard, a sadder but a wiser fowl.

Children Presented With Candy At Story Hour

Sixty-four children were present to enjoy the story telling hour at the Niles library Monday afternoon. Mrs. R. Bendel, who tells the story, presented each of the children with a gift of a stick of candy.

Get Operator's Licenses At Niles Justice Court

All those who have expired motor operator's licenses may get new ones on Wednesday afternoon at the Niles justice court, when traffic officers of the State Highway Patrol, will be present to issue them.

LAST OF 'CAGED' APPEARS IN NEXT WEEK'S REGISTER

Due to limited space, the serial story "Caged" has not appeared in the last three issues of the Township Register.

Realizing that many readers of this paper have been looking forward eagerly to the next installment of the story, the Register wishes to apologize for its omission, and assure our readers the concluding episode of the serial will appear in next week's issue.

TWO MEN INJURED IN HEAD ON CRASH AT DECOTO

Two men were severely injured last Thursday morning when a truck driven by William J. Fields, of San Leandro, was struck by a car driven by Henry Cotta, of Los Bantos, on the highway opposite the Folette service station, in Decoto.

Fields was traveling south along the highway when Cotta, going north, crashed head on into his car. Cotta claims something went wrong with the steering gear of his machine, causing him to lose control.

Both men were taken to Niles where they were treated by Dr. E. C. Grau for severe lacerations of the face, and chest injuries. Cotta also received lacerations of the right leg, and Field's left hip was injured.

RETURN FROM VACATION

Eugene Justus returned Thursday after spending a ten day vacation in Los Angeles and vicinity. Justus says he had a great time enjoying the attractions of Southern California, but was glad to get back to Niles.

CAROLINE MENDOZA BECOMES BRIDE OF JOE PERRY AT NILES

Happy Couple Leave for Honeymoon at Los Angeles.

In a charming ceremony performed at 11 o'clock Sunday in the Niles Corpus Christi church, Caroline Mendoza, of Niles, became the bride of Joe Perry, also of Niles. Father McCaul performed the wedding rites.

The bride was attractively attired in a pink satin gown and carried a bouquet of white carnations. The groom was becomingly dressed in dark.

The bride's brother, George Mendoza acted as best man, while his wife, Ida Mendoza, was maid of honor. She wore a beautiful blue taffeta dress and carried a bouquet of pink carnations. A large crowd witnessed the ceremony.

After a bountiful wedding dinner served at the home of the bride's parents, the couple left for Los Angeles for a week's honeymoon. The will live in Centerville upon their return. He is employed in the salt works at Newark.

Both Mr. and Mrs. Perry are well known in Niles and surrounding community, having been residents here all their lives. Mrs. Perry is the daughter of Mr. and Mrs. Joe Mendoza, of Niles Canyon, while Perry is the son of Mrs. William Perry, of Niles. They both are graduates of the Niles grammar school.

Their many friends in Washington township extend their congratulations and wishes for a long and happy married life.

Mrs. Babcock Overturns In Car Near Alameda

While driving to Alameda last Thursday night, Mrs. Paul Babcock, of Niles, went over the bank near the Oakland airport and landed bottom side up with her car. Mrs. Babcock was not injured and the car was not damaged. Oily pavement was blamed for the accident.

THIEVES BREAK INTO NILES BOY SCOUT QUARTERS

Headquarters of the Niles Boy Scouts troop located at the foot of Third street near the gravel pit in Niles was broken into sometime last week and \$1.80 and some scout equipment stolen.

The loss was discovered when the Niles scouts held their regular meeting Friday night. The thieves gained entrance by cutting the screen at one of the windows in the building and breaking the glass. Itnerants are believed to have been responsible for the act.

Mr. and Mrs. R. R. Butterfield spent Monday shopping in Oakland.

\$50,000 Appropriated by Supervisors for Unem- ployed Relief.

Niles Canyon road will get \$2,000 appropriation for an unemployment relief highway improvement program which was approved by the Alameda county board of supervisors at their meeting last week. At least 1000 men in Alameda county will be provided immediately jobs by the expenditure.

Seven road construction projects are included in the plan by which unemployed workers from every section of the county are to be given work through the road building undertaking, the nature of which permits most of the work to be performed by hand labor, instead of machinery.

The roads included in addition to the Niles Canyon road and the amounts allocated to each are as follows:

New tunnel road, \$15,000; Redwood road, \$10,000; Mines road in Murray township, \$2000; Vallejos road in Pleasanton township, \$2000; Skyline boulevard in Oakland, \$15,000; Cull Canyon road in Eden township, \$2000.

The board voted to appropriate the \$50,000 at once from the general fund, and which provided indirectly from the indigent relief fund by resolution.

It was explained that approximately 1000 men will be given work at a weekly basis of \$4 per day. In order to assure the greatest number of men, they will be engaged in groups, one group working six days, followed by another group taking their places for the ensuing six days. The number of men engaged from the various sections will depend upon the unemployed quota and

NILES CHURCH TO FETE CHRISTMAS WITH CANTATA

Program Set for Sunday Evening from Five to Seven.

Yuletide spirit will be appropriately observed at the Niles Congregational church Sunday night, December 20, when a cantata entitled "The Nativity" will be presented to the public by members of the Sunday school classes. The program will take place from 5 to 7 o'clock in the evening. Those attending the program are assured of witnessing some real artistic talent in the cantata portrayal, with members of the entire Sunday school taking part.

The best Niles has to offer in the way of youthful dramatic ability is found in the leading characters. Patricia Duffey will read the interpretation, and will be accompanied by Estelle Martenstein at the piano. The part of Mary will be portrayed by Irma Hodges, while Joseph will be played by Lester Brewer. The cantata is directed by Lloyd Weaver and the costuming is under the charge of Mrs. J. E. Townsend.

In addition to the play, those in attendance will be entertained with a tea. A Christmas tree also will be featured on the program. The topic of Reverend E. G. Brinkmeyer's address Sunday morning is "The Greatest Gift of All." Everyone is invited to attend the program and the morning church services.

R. Peterson and Frank Lewis spent Sunday duck hunting.

EDITORIAL COMMENT

By NORMAN H. PARKS, Publisher Register

IT WILL BE A XMAS GIFT

THE POLITICAL STIR that was occasioned by the visit of Mayor Jimmie Walker, of New York City, seems to have subsided. If the spectacular executive of the nation's metropolis had hoped to get a decision on the Mooney case at once, he has been sadly disappointed. For the moment, at least, his visit distracted the attention that was then centered on the Newberry commission investigating corruption in the city government of New York.

Walker and Rolph are friends. The governor of California doubtless feels a great admiration for the mayor of the new world's greatest city. At heart, Rolph is still encompassed by the limited boundaries of a metropolis. He has never been quite able to envision an empire such as the vast boundaries of California typify. Living for almost a lifetime in San Francisco, and its acting mayor for a score of years, he has never thoroughly thrown off the handicap of ward politics. He cannot think in terms of a state or a nation. Then, what is more natural than, feeling that Mooney should be pardoned, he should be glad to have one who has reached the heights of national municipal honors, share with him the distinguished role of correcting what the world's radicals brand as a great injustice, and free Mooney that his aged mother might spend her last days with him.

Those who believe that the affair was not prearranged by a supershowman and one who aspires to the same role are little versed in interpreting political thunder. The writer anticipates the pardon of Mooney on the eve of Christmas—a Yuletide gift to organized labor and an aged woman bent in sorrow.

The Township Register has consistently pled for the pardon of Mooney, not because it believed him innocent, but because he has suffered long, and there is strong evidence that he is, after all, guiltless. At liberty, he will fade from view after those first few months when he will be surfeited with congratulations from the far flung corners of the globe. He will pass as a power and an excuse for agitation. He will no longer be the martyr to the cause of Unionism. Sovietism will have to seek another excuse for agitation here in America.

Pardon will mean oblivion for Mooney. It will lift a suspicion from the government of California, and its last analysis will be an humane and charitable act. Let it be done, and let the curtain fall on a drama that has brought no renown to our beloved state.

THE CLOVEN HOOF!

EX-GOVERNOR Richardson has again entered the ranks of the Fourth Estate, and has chosen Alameda as his field of journalistic labor. He is our neighbor. What else can we do but extend a hand across the chasm of political differences, and welcome him into our midst. As a newspaper man we shall try and be his friend, and any assistance that, in our weak and limited way, we might render—such as the loan of a mat, a border slide or an ink roller, will be given to the rotund politician who has held almost every elective office in the state.

But remember, in state affairs it is different. We don't like his record and if he ever bobs up for another office, we have a club hidden away to smack him a good one.

So, for the time being, our hand goes out in sincere friendship.

THE JOKE IS ON NILES

THE ROAD agitation here in Niles is becoming a great joke—on Niles. Good citizens have spent many weary hours of labor getting right-of-ways over private property. The Shinn interests and the McDonald interests have come forward in a liberalism that at once commended itself to everyone. Property owners west of the California Nursery company have lopped off acres of their ground that the road may become the standard

\$30,000,000 in Special Taxes Unfair to You

EQUALITY of taxation was one of the fundamental principles of the American government. The levying of special taxes is a serious departure from that principle.

Special taxes paid by fire insurance companies amount to more than 5 per cent of the premiums paid by policyholders.

Less than a million dollars of the 30 million dollars in special taxes is used by the states for the supervision of fire insurance.

the California Nursery Company.
Amyx has had many years' ex-
perience in the nursery business
and is thoroughly conversant with
soil and climatic conditions in all
sections of California.

Charles Garrity, who was formerly
at the Edenvale Nursery, has

RAINFALL AT NILES SETS HIGHER MARK THAN LAST YEAR

5.70 Inches Are Recorded
Up to Date by S. P.
Instruments.

Although the scarcity of rain
was deplored during the early
part of this fall, Niles and sur-
rounding community are being
treated to an abundance of mois-
ture at present, with precipitation
figures showing a large increase
over that of last year at this
time.

Records kept by the Southern
Pacific station at Niles reveals
that up to Monday the total rain-
fall for the season was 5.70 inches,
which is considerable above last
year when the figure was 2.66 by
the first of December. By January 1,
1931, precipitation figures only
reached 3.04 inches, while this
has already been eclipsed this
year, with considerable more rain
in the offing before the conclusion
of the month.

The heavy downpour, which
drenched Northern California Sun-
day reached .88 inches at Niles,
the heaviest rain since November
14, when 1.01 inches were re-
corded.

The hearty rainfall, in the low-
lands and the snow which has
blanketed the mountains in the
northern part of the state during
the past week is proving a wel-
come relief to farmers and
stockmen, who were worrying on
account of the lack of water ear-
lier in the year. The heavy snows
in the mountains give assurance
of an abundance of water for ir-
rigation purposes next spring, as
well as other uses.

shipping potatoes from other

shortage in the weights of the
sacks was discovered. For sixty-
five carloads it was necessary for
the growers to use thirty-six ad-
ditional tons to make up the
shortage, as a result of the weight
department's action.

The speaker cited many other
examples where if it were
not for the activities of his de-
partment, the public would have
suffered. He especially cautioned
his listeners to beware of
door to door peddlers, and to
watch service station operators
when gas is being purchased to
ascertain that the correct amount
is obtained. Eighteen gas pump
operators in the county were
prosecuted last year and eight-
teen convictions were secured,
said the weight official. Of
forty purchases in gas deliveries
thirty-five were found to be
short.

sion revealed that W. F. Hol-

had stated there was no reason
why the project should not go

however, to present the improve-
ment plan to the district highway

it approved and the work author-
ized. A. J. Petsche, secretary of
the Niles chamber, said the Pa-
cific Gas & Electric Company
was willing to move the light
poles in the block.

E. E. Dias presented the re-
sults of a survey made of the
proposed widening in which was
stated a total of 764.4 feet will
have to be removed, including both
sides of the street. That does not
include in front of the old Es-
sanay building. Some of the street
would have to be cut off and a
curb put in at the cost of \$1.25
a running foot.

It was decided to take the mat-
ter up with the district engineer.
E. A. Ellsworth and George
Bonde were added to the number-
ing committee, in charge of erec-
tion of new street signs and the
numbering of Niles houses and
buildings.

The sum of \$143.50 was realized
in the recent drive for the Niles
Boy Scout troop fund, it was an-
nounced by President F. V. Jones.

William Kirk announced that
the Niles community Christmas
tree will be decorated Saturday
afternoon, and he would appreci-
ate anyone finding it possible to
assist in this work. It will be lo-
cated by the fire house.

WASHINGTON HIGH SCHOOL TO CLOSE WITH YULE SPIRIT

Irrington Grammar Pupils to Present Operetta Tonight

With school closing Friday afternoon for a two weeks' holiday, students of the Washington Union High school, of Centerville, are looking forward eagerly to the annual girls' League program to be staged in the high school auditorium in the afternoon of the last day before vacation.

Arrangements for the affair have been completed, and indications point to an enjoyable afternoon of observing the Christmas spirit. A Christmas tree will add a touch of brightness to the occasion and the presence of Santa Claus contribute additional Christmas atmosphere.

The program which has been prepared for the afternoon promises to provide plenty of entertainment for the students. An address of welcome by Mildred Durham, president of the Girls' League, will open the festivities, and will be followed by a group of Christmas carols to be sung by the high school glee club. Other numbers on the program include stunts by the freshmen, sophomore, junior and senior classes, piano solos, and singing duets.

On Thursday night (tonight) the Irrington Grammar school pupils will present a Christmas operetta entitled "The Court of Santa Claus" in the high school auditorium. Eighty pupils will take part in this musical presentation. An added attraction of the evening will be the choral society, organized in the night school classes, singing in the "Music of Bethlehem." Both presentations are under the direction of Mrs. Charlotte Foster, of the high school faculty.

The public is cordially invited to attend.

XMAS FETE IS HELD BY CENTERVILLE SCHOOL

Pupils of the Centerville Grammar school presented an enjoyable Christmas program Wednesday afternoon in the school auditorium. The proper Christmas environment was provided by a glittering Christmas tree and the presence of Santa Claus, who distributed candy to the children. After the program, the pupils trooped home to forget the obligations of school until after the first of the new year.

One entering the grammar school auditorium will discover two paintings adorning the back of the room, one a picture of The Three Wise Men of Bethlehem, and the other, a Yosemite Park scene, which are the work of Maboru Hayashi, a grammar school pupil. Hayashi's paintings indicate an artistic ability of which one of his age can well be proud.

CORNHUSKERS DEFEATED IN CHAMPIONSHIP GAME WITH LIVERMORE HIGH

Washington Star Forward Guarded Closely During Contest

Hopes of the Washington Union High school, of Centerville, for the championship of southern Alameda County's Class C basketball league went glimmering last Friday night when Coach Regli's hoopers fell 16 to 9 before the attack of a close-checking Livermore five at Livermore.

The win gave the championship to Livermore, while Washington High finished second, and Hayward third.

Sekigahama, the Cornhuskers' straight shooting forward, was watched closely during the game, and was unable to contribute only one basket to his team's total. The Washington team was handicapped by his removal in the fourth quarter on four personal fouls.

The contest was close and exciting throughout, and it was not until the final quarter that Livermore was assured of a victory. Washington took the lead at the opening of the game and held a 4 to 2 advantage at the end of the first period. The score at half time read 9 to 7 for Livermore.

Craghblom led the Livermore attack, netting eight tallies during the contest.

A and B Fives Win
The Washington High school B quintet was too much for the Centerville Knights of Columbus cagers, emerging with a 35 to 27 victory Monday night in the high school gym. Both teams played ragged ball.

Cabel for the Knights displayed remarkable ability in locating the center of the basket, and was responsible for twenty-one of his team's total. Foehr and Harry Sekigahama scintillated for the high school, each garnering ten points. Phippen was close behind with eight.

The Washington High unlimited or A team also were victors over a Centerville Knights of Columbus five by a 20 to 12 count. Trout and Salvadorini exhibited the best ball for the high school.

The A and B teams will play the St. Elizabeth High school hoopers next Monday night at the Washington High gym. The game begins at 7:30.

ASULIKIT CLUB MEETS

The Asulikit Club enjoyed a turkey dinner last Tuesday, after which auto bridge was played. Mrs. Martenstein played in the place of Mrs. Fisher, while Mrs. Earle took Mrs. C. Emerson's place. At the conclusion of card playing Mrs. Hawley was awarded first honors, and Mrs. Earle consolation. The next meeting of the club will be held at the home of Mrs. Haley on December 29.

SENIORS HOLD PARTY

One of four parties to be given by the senior class at Washington Union High school for the purpose of becoming better acquainted before their high school days draw to a close was held Wednesday night. The evening was spent in card playing and dancing.

Mrs. Frank Dusterberry and Elizabeth Dusterberry were Oakland visitors on Tuesday.

BOARD ACTION TO GIVE HIGH SCHOOL MORE PROTECTION

Decision Made to Connect School Water System to Fire District

In order to provide more adequate protection to the buildings, the Washington Union High school board of trustees at their last meeting engaged Muller's detective, police and fire patrol to stop five times a night at the high school to assure nothing is amiss. Decision also was made that several lights should be kept burning all night about the grounds and in the buildings.

Fred Rogers, chief of the Centerville fire department, appeared before the board and informed the members that out of eight hydrants about the high school property only two would be accessible to the Centerville fire department in case of fire. A. J. Rathbone, high school principal, was authorized by the board, to have the remaining hydrants locations altered so they would be accessible to the fire department.

At the suggestion of Fire Chief Rogers, it was decided to extend the high school water system,

which is separate at present, out to the highway to connect with that of the Centerville fire district system by means of a gate valve, thus assuring a more adequate water supply for both systems. The expense will be divided between the high school and the fire district.

The contract for the high school diplomas next spring was awarded to Carlyle & Company, of San Francisco.

The installation of the opera chairs in the high school auditorium was accepted by the board.

Syncro-Mesh Shift and Free Wheeling

The new Chevrolet Six combines the advantages of two inventions... Syncro-Mesh and Free Wheeling... to assure quick, quiet, easy gear-shifting and positive control of the car under every driving condition

One of the biggest driving thrills in modern motoring is now available at one of the very lowest prices in the automobile market. Silent Syncro-Mesh gear-shifting is combined with simplified Free Wheeling in the new and finer Chevrolet Six!

No other car offers this double-feature for so little money. Syncro-Mesh is recognized as the most advanced type of transmission ever developed by engineering science. Free Wheeling is that new, up-to-date sensation which adds so much to the zest of driving. The two make a matchless combination! They bring about an entirely new kind of driving

affecting all railroads alike, it is impossible for the Western Pacific to sell securities, either stocks or bonds at other than a very depressed price, making it impossible to finance the project at the present time, and therefore the extension of time is requested."

The application also covers conditions regarding the joint use by the Western Pacific of the Southern Pacific's Dumbarton bridge, as well as the joint use of the Southern Pacific-Santa Fe Quint street line in the vicinity of Islais rock, San Francisco, whereby the existing Western Pacific line in San Francisco will be connected with the new San Francisco-Redwood City-Niles line.

Although definite agreement on the joint use of the Dumbarton bridge and the acquisition of rights over the Quint street track has not been reached, negotiations have progressed to the point where railroad officials are satisfied according to the matter will be arrived at. Considerable time, however, will elapse before the technical details are worked out and the final contracts are executed, so they can be submitted to the Interstate Commerce Commission for approval.

the population of the respective areas.

A resolution was approved by the board requesting the Associated Charities and other relief organizations in the county to submit a list of able-bodied men, heads of families now receiving grocery orders, for employment in the road building work. Practically all the workers employed will be selected from the list of those now receiving county aid. At the conclusion of their employment they may again be placed back on the charity rolls, if further assistance is needed for them and their families.

Workers will be transported to the jobs from a central meeting place in county trucks, and will be returned to the same places at the end of the working day, thus eliminating any labor camps.

It was pointed out by W. J. Hamilton, chairman of the supervisors, that the program eliminated a dole system, gives the working man self-respect, relieves the county charities of some part of their burden, and at the same time accomplishes helpful improvements.

Further road building expenditures along the same lines are contemplated by the board of supervisors in the future when the present appropriation is exhausted.

Attention has been called to the fact that these meetings are open to the public.

The following were appointed on the nominating committee: J. E. Townsend, Mrs. Rosalie Donovan, and Mrs. O. O. Hatch.

NEW CHEVROLETS PRESENT MANY IMPROVEMENTS

"The Great American Value for 1932" justly describes the new 1932 models now being exhibited by the Chevrolet dealer, Rose garage, at Niles, Centerville and Irvington.

Many extensive improvements over the basic design of 1931 are boasted by the 1932 model, among the most striking of which is the exterior appearance in the front end, which has been completely redesigned this year. All models this year have cowl ventilators located just forward of the wind shield and controlled by a regulator in the drivers compartment.

All closed models have a finger touch front seat adjustment, whereby, simply touching a lever to the left of the seat, the seat may be rolled to the most comfortable position back of the wheel and clamped there. The adjustment may be made while the seat is occupied. Many improvements have been made on the engine, thus making it smoother, quicker and more powerful.

Quicker acceleration is provided by timing improvements. Those who have seen the new machine have been warm in their praises of its merits, and it is expected

Xmas Seal Sale Response Expected By Committees

Washington township Christmas seal sale committee cooperating with the Alameda County Tuberculosis and Health Association in the annual Christmas Seal Sale are anticipating a good response from residents of the township to the seal sale letters mailed on Thanksgiving day, according to Mrs. J. T. Thane.

Mrs. Thane yesterday asked that any who might have overlooked their seals in the rush of the holiday season mail their envelopes to headquarters as soon as possible. In connection with the sale of the Christmas seals this year Mrs. Thane said:

"From small beginnings at a time when everybody believed tuberculosis was hereditary and the equivalent of a death sentence, it has carried its message that tuberculosis is preventable and curable to every hamlet and cross-roads in the country, until today few people remain who do not know that rest, fresh air, sunshine and nourishing food are both the preventive and curative agents for this disease.

"But a great deal remains to be done. Despite the success of past efforts, tuberculosis is still a greater public enemy than most people realize. It is the leading cause of death between the ages of 15 and 45, and a serious menace to the health of young men and women entering intensive high school and college days.

"Money is needed wherever seals are sold to finance the battle

to prove a worthy successor to the successful make of past years.

Mrs. L. Pogetto and daughter, Alma, accompanied by the Misses Enis and Susie Del Grande, were Oakland visitors Saturday.

S. P. TO OFFER LOW FARES FOR XMAS HOLIDAYS

Adding "transportation" to the Christmas and New Year list of bargain offerings, the Southern Pacific Company recently announced plans for extensive cent-mile excursions to aid holiday travel this year.

width demanded by Alameda county. And there the matter rests.

Why all this consideration for the California Nursery? Why should this institution balk the growth of Niles? What peculiar influence does it have over the board of supervisors that that body stands paralyzed; and when the people here ask for bread, the board hands out a stone?

What advantage having a member on the board, if it takes five years to get a road concession that any efficiency at all would secure in a month's time!

Fellow citizens of Niles, let us stop being meek. It is time to put our public officials where they belong—in the category of servants, not masters, before whom we should bow in humble submission, pleading for our inherent rights. A hired man should take orders, not give them.

IRVINGTON STORE IS VICTIM OF SHADY PURCHASE

Recently a stranger walked into William Hirsch's store in Irvington and put over a fast deal. Seeing Williamson, one of the clerks, who was on duty in the rear of the store, he picked up a new heater, one of several near the front entrance, and rushing back to Williamson, said, "Here's a stove that I bought from Bill this morning, but as I have concluded to buy an electric heater, I am returning it." Williamson took it, looked at the price tag, which was marked \$5.80, and went to the cash register and gave the man the money.

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria! Harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine.

That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.

MRS. REYNOLDS TAKEN BY DEATH AT IRVINGTON HOME

Deceased Was Old Resident of Irvington Section

Funeral services were held last Friday at two o'clock for Mrs. Mary Reynolds, 88, who died suddenly last Tuesday night, following a few days' illness. She was one of the few remaining residents whose life here dates back to early days and who keeps alive memories of events and people of long ago. Her passing was just a year and three days after the death of her son, the late K. F. Reynolds, who was postmaster and a prominent merchant of Irvington.

Mrs. Reynolds was the mother of Mrs. Jane Blacow, Miss Ann Weston, Henry Weston, all of Irvington, and Ed Weston, of Palo Alto.

CHURCH NEWS

Christmas services at Irvington will be held next Sabbath. Recitations by children of the Sunday school and a Christmas tree in the morning at 11 o'clock. Sunday school at the usual hour.

Sunday evening at 7:30: Preaching service with Christmas sermon. Children will present tableaux showing the Nativity. Jack Rathbone will lead the Christian Endeavor meeting, with the subject of "Christmas in Literature." John E. Moore, pastor.

High School Chooses Operetta for Spring

"The Count and the Coed" is the operetta selected to be presented by the students of the Amador Valley high school, in Pleasanton, in the spring, according to Harry Tripp, musical instructor in that school.

Principals will be selected as in the past, each one applying for the part desired, and after a careful study of the applicants by the faculty and Tripp the final cast will be selected.

Last Thursday every one interested in trying out for the performance registered with Tripp.

Today's Scripture LESSON

By Rev. John R. Stevenson

The fruit of the Spirit is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance.—Gal. v.:22,23.

O Breath from out the Eternal silence! blow Softly upon our spirits' barren ground; The precious fullness of our God bestow. That fruits of faith, love, reverence may abound. —G. TERSTEGEN.

SUNOL

-- DEPARTMENT --

Sunol Boys Drive Car Successfully In Snow

James Hughes, John Trimmingham, and Kenneth Hardy went exploring in the snow Saturday. They went forth on their journey in a cutdown with skid-chains. They arrived home very much elated because they had gone about as far as any kind of a car could, into the mountains.

DANCE A SUCCESS

The Parent-Teachers Association dance on Saturday night was a huge success financially, and everyone had a hilarious time.

SUNOL SCHOOL

The operetta, "Station Cloudville," which was given at the Sunol school Friday night was a huge success. The faculty of the Sunol school and many others put forth their best efforts in order to make the operetta successful.

SUNOL MAN INJURED IN AUTO WRECK AT HAYWARD

J. F. Hoover, of Sunol, was badly injured Sunday when his car was run down on the Hayward highway. He was taken to the Hayward hospital, where he was treated for a fractured leg.

ENTERTAINS AT DINNER

Mr. and Mrs. J. H. Rankin entertained at dinner Saturday night to Mrs. Espy and Mr. and Mrs. Fred Varney, of San Francisco. Mr. Varney was formerly inspector at the Calaveras tunnel.

BRIDGE CLUB ENTERTAINED

The Junior Bridge Club was entertained last week at the home of Mrs. Jack Geib in Niles. The next meeting will be in Centerville at the home of Mrs. Waubob.

CHRISTMAS PROGRAM

The Sunday school at Sunol is having a Christmas program next Sunday. Everybody is welcome to attend and see the children perform.

Mr. and Mrs. A. C. Day visited relatives in Vallejo last week.

Mr. and Mrs. Frank Kissinger and Mrs. Rankin were shoppers in San Jose Saturday.

The American Society of Civil Engineers made an inspection tour to coast range tunnels on Saturday.

H. A. Johnson, of Vallejo, visited at his home in Sunol over the week-end.

The Sunol Parent-Teachers Association is giving a Christmas tree to the children who attend the Sunol Grammar school.

Mrs. L. Bonner expects to return to Sunol next week.

CHRISTMAS PLAY TO FEATURE NILES SCHOOL PROGRAM

Children to Observe Yuletide Spirit With Affair On Friday

A series of plays to be presented by the various classes will feature the Christmas program, to mark the closing of the Niles grammar school Friday afternoon for the Christmas holidays. School will resume the first Monday of the new year, which will be January 4.

"A Visit from Santa Claus" is the title of the play to be presented by the first, second and third grades. The leading players are Morris Bernard and Genevieve Andrade.

The fourth grade will stage "Paddy's Christmas." The character of Paddy will be portrayed by Edward Silva.

"A Visit to Santa Claus" will be the fifth grade's contribution to the program, with Robert Duarte playing the part of Santa, Mary Virginia Bristow the Fairy, and Marie Pine the role of Mrs. Santa Claus.

The sixth grade will display their dramatic ability with the presentation of "Christmas Toyshop," in which the following leading characters are featured: James Silva, Mable Townsend, Roberta Hobson, and Robert Zwisig.

Two recitations also are listed on the program, with Robert Kibby, of the seventh grade, to recite "Bobby's Surprise," and Mae Rose to render "Three Stockings in a Row."

A Christmas tree with its usual accompaniments will contribute to the Yuletide spirit.

The first issue of the Niles grammar school paper came out this week as a Christmas number. This is the first issue of the school paper for some time.

NOTICE OF DISCONTINUING WATER SERVICE

Decision No. 24242 BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

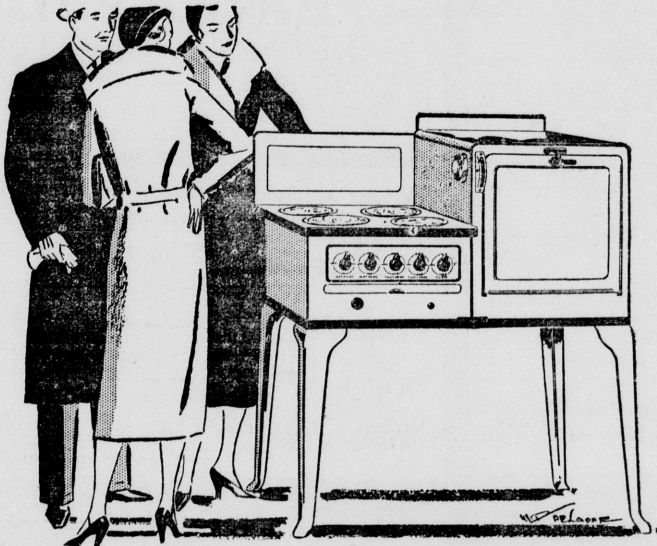

In the Matter of the Application of ROSE TELLES for an order discontinuing water service. Application No. 17604.

NOTICE IS HEREBY GIVEN that on, from and after the 23rd day of December, 1931, the undersigned, ROSE TELLES, shall discontinue the delivery of water to all persons heretofore served by her within the town of Mission San Jose, and within the vicinity of Mission San Jose, in Alameda County, California.

This notice is given pursuant to and in conformity with the decision of the Railroad Commission given and made in the above entitled matter on the 23rd day of November, 1931, which said decision authorized and permits the undersigned Rose Telles to discontinue further delivery of water as a public utility to her consumers.

You are further notified that, on, from and after the 23rd day of December, 1931, the undersigned Rose Telles stands relieved of all further obligations and liabilities in connection with the delivery of water as a public utility in the vicinity of Mission San Jose, Alameda County, California. ROSE TELLES.

A Christmas Bargain on modern electric ranges

installed ready to use... including all wiring

[Terms Can Be Arranged]

PROFITS are cut to encourage the purchase of electric ranges for Christmas. Consider these bargain prices which include all necessary wiring:
L&H electric range . . . \$159.50
Estate electric range . . . \$169.50
Monarch electric range . . \$183.00

This is the finest offer ever made on the installation of high class electric ranges. It gives you an opportunity to enjoy the ease, comfort and perfection of electric cooking during the holidays. And remember, these are not "close out" models, but ranges that will continue to be made and sold for higher prices after this special offer expires.

You can thank the manufacturer, the jobber, your dealer, and the P.

G. and E. for their cooperation in making this bargain possible. Profits are sacrificed. But for a short time only.

One cent a meal per person to cook with electricity

Our records show that the average cost of cooking with electricity is but one cent a meal per person. As for speed, improved cooking elements take care of that. Then too, electric cooking is clean.

We are offering bargain prices on the L&H, Monarch, and Estate electric ranges. Stop in and see them. But do so right away, for the special prices, including wiring, cannot be allowed after December. Terms can be arranged that will not interfere with your Christmas budget.

NOTE: The above prices apply only on sales for single residences, with first floor installations and open basement, and where electric service is supplied by overhead construction. On other installations the customer will be charged the installation cost in excess of \$50.

TOWNSHIP MEN'S CHRISTMAS JINX IS HUGE SUCCESS

Musical Program Proves To Be Highlight of the Evening.

With approximately 120 members present to enjoy one of the most successful and entertaining meetings held in years, the Men's Club of Washington township gathered together last Wednesday night for their annual Christmas party at the Veterans' Memorial building in Niles.

Edward Healey, from the district attorney's office in San Francisco, was present as the chief speaker and guest of honor. He delivered a humorous twenty-minute address, which was well received by the club members.

A skit entitled "One Terrible Night" presented by male members of the Washington Union High school faculty, proved to be highly entertaining, and was vigorously applauded by those present.

One of the highlights of the evening was the musical program arranged under the direction of Tolin Gilson, which consisted of clog, tap and other dance numbers, artistically rendered by the performers. A Spanish singer especially drew the plaudits of the assemblage.

A turkey was disposed of by the Niles Legion and drew a sum of \$25.35, which was turned over to the club charity fund. Tom Powers, of Irvington, won the bird. Another turkey awarded as door honors went to Raymond Jolley, of Centerville.

A delectable turkey dinner was served by the legion with Louis Ruschin, of Newark, acting as chief chef. Ruschin proved himself no amateur in the culinary art by the palatable repast for which he was responsible.

Governor To Pardon Former Hayward Man

In keeping with a former custom of issuing gubernatorial pardons during the Yuletide season, announcement was made last week by Governor James Rolph, Jr., that he intended to pardon Henry Benz, formerly of Hayward, who was sentenced in 1922 to five years in San Quentin for burglary.

Benz was paroled in 1925, and since that time his conduct has been exemplary, according to Chief of Police Louis J. Silva, of Hayward, who recommended his pardon. The pardon will restore Benz' citizenship rights.
